UNIK ZOOTHERAPY

Zootherapy helps improve a person's abilities across physical, social, emotional, and cognitive domains.

Our 5 Zootherapy Options

1. **Zootherapy**.....\$150/hour
A therapeutic approach where the presence of an animal facilitates a helping relationship based on specific goals.
2. **Equine-Assisted Therapy**.....\$150/hour
An intervention approach where the horse plays a therapeutic role, supporting the individual's growth in areas such as emotional, physical, and psychological well-being.
3. **Reading Workshop**.....\$150/hour
Enjoy reading in the comforting presence of an animal, encouraging motivation and confidence.
4. **Zoopedagogy**.....\$150/hour
An effective educational approach where an animal helps stimulate learning, particularly for individuals facing challenges with school integration or academic success.

5. **Zooanimation**.....\$150/hour
A social and educational activity where participants learn about an animal's traits, needs, and strengths. This session promotes relaxation, enjoyment, and interaction between participants and the animal.

For Your Information

- Zootherapy sessions can be held either at the **UNik House** (2838 Nolan Rd., Hammond) or **at your location**. *Please note: a transportation fee of \$0.65/km applies for off-site visits.*

I would like the zootherapy service at **2838 Nolan Rd.**

I would like the zootherapy service **at our establishment**

- Participants are welcome to **choose the animal** they prefer to work with, based on their interests and comfort level.
- Depending on the location, our available animals may include: **rabbit, dog, cat, guinea pig, goat, chicken**, and more.

Authorisation & Consent

The establishment acknowledges and agrees to the following:

- 1) **Participation Authorization**
This form is required and must be signed by an authorized representative, granting permission for your patients/residents to participate in activities involving animal-assisted therapy (zootherapy).
- 2) **Assumption of Risk**
Participation in this program involves certain inherent risks. Although uncommon, accidents may occur and could result in injury. Examples include injuries related to interactions with animals or activities conducted during zootherapy sessions. Participants are expected to follow all instructions carefully and remain attentive throughout the sessions to help minimize potential risks.
- 3) **Photo Authorization**
Do you authorize Expérience Unik to post photos of your patients/residents on our Facebook page?
